No agent has authority to change or waive **Policy** provisions, terms or conditions. A failure to exercise any of **Our** rights under this **Policy** will not be deemed as a waiver of such rights in the same or future situations.
- C. **CLERICAL ERROR:** A clerical error or omission will not increase or continue an **Insured's** coverage, that otherwise would not be in force. If an **Insured** applies for insurance for which he or she is not eligible, **We** will only be liable for any premium paid to **Us**.
- D. **CONFORMITY WITH STATUTE:** Terms of this **Policy** that conflict with the laws of the state where it is delivered are amended to conform to such laws.
- E. **ENTIRE CONTRACT:** This Individual Travel Insurance Policy, the Declarations, and any rider, endorsement, or amendment attached thereto, represent the entire insurance contract.
- F. **SUIT AGAINST US:** No action on this **Policy** may be brought until 60 days after written Proof of Covered Loss has been sent to **Us**. Any action must commence within three years, (five years in Kansas and Tennessee; and six years in South Carolina and Wisconsin) of the date the written Proof of Covered Loss was required to be submitted. If the law of the state where the **Insured** lives makes such limit void, then the action must begin within the shortest time period permitted by law. In those states where binding arbitration is allowed, binding arbitration will supersede this provision.
- G. **PHYSICAL EXAMINATION AND AUTOPSY:** **We** have the right to examine an **Insured** when and as often as **We** may reasonably request while the claim is pending. Such examination will be at **Our** expense. **We** can have an autopsy performed unless forbidden by law.
- H. **ARBITRATION:** Any contest to a claim denial under this **Policy** will be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. The arbitration will occur at the offices of the American Arbitration Association nearest to the **Insured**. The arbitrator(s) will not award consequential or punitive damages in any arbitration under this section. This provision does not apply if the **Insured** is a resident of a state where the law does not allow binding arbitration in an insurance **Policy**, but only if this **Policy** is subject to its laws. In such a case, binding arbitration does not apply. This provision bars the institution of a lawsuit by the **Insured**.
- J. **MISSTATEMENT OF AGE:** If the age of the **Insured** has been misstated, all amounts payable under this **Policy** shall be such as the premium paid would have purchased at the correct age.
- K. **SUBROGATION:** **We** have the right to recover from any third party all payments that **We** have made to the **Insured** or on behalf of the **Insured's Spouse** or **Domestic Partner**, child, heirs, guardians or executors or will be obligated to pay in the future to the **Insured**, from any third party. If the **Insured** recovers from any third party, **We** will be reimbursed first from such recovery to the extent of **Our** payments to or on behalf of the **Insured**. The **Insured** agrees to assist **Us** in preserving its rights against any third party, including but not limited to, signing subrogation forms supplied by **Us**. If **We** seek to recover any amount paid by **Us**, **We** are entitled to recovery of those amounts before the **Insured** is entitled to share in any amount so recovered by **Us**.
- L. **VALUATION:** All premiums, limits, **Deductibles**, and other amounts under this **Policy** are expressed and payable in the currency of the United States unless otherwise stated. If judgment is rendered, settlement is denominated or another element of loss under this **Policy** is stated in a currency other than United States dollars, payment under this **Policy** shall be made in United States dollars at the rate of exchange on the date the final judgment is reached or the amount of the settlement is agreed upon.
- M. **HEADINGS:** The titles and headings to the various sections, subsections and endorsements of this **Policy**, are included solely for ease of reference and do not in any way limit, expand or otherwise affect the provisions or existence of such sections, subsections or endorsements.

Illinois Civil Union Act Policyholder Notice

On June 1, 2011, Public Act 96-1513, the Religious Freedom Protection and Civil Union Act ("the Act") became effective. Under the Act, both same-sex and opposite-sex couples may enter into a civil union. A party to a civil union is entitled to the same legal obligations, responsibilities, protections, and benefits as are afforded or recognized by the law of Illinois a spouse; whether they derive from statute, administrative rule, common law, or any other source of civil or criminal law. A marriage between persons of the same sex, a civil union, or a substantially similar legal relationship other than common law marriage, legally entered into in another jurisdiction, shall be legally recognized in Illinois as a civil union.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE:

Illinois law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, the Employee Retirement Income Security Act of 1974, a federal law known as "ERISA" controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights.

We Take Important Steps to Protect the Nonpublic Personal Information We Collect About You

Dear Customer:

rev. January 2020

We care about your privacy. That is why we believe in your right to know what nonpublic personal information (“NPI”) we collect about you and what we do with that information. This Privacy Notice describes the NPI we collect about you and how we share and protect that information.

Overview	UNDERSTANDING HOW WE USE YOUR PERSONAL INFORMATION
Why are you receiving this Notice?	Financial institutions, which include the Company, choose how they share your NPI. Federal and state law gives consumers the right to limit some but not all sharing of that information. Federal law also requires us to tell you how we collect, share and safeguard your NPI. You are receiving this Privacy Notice because our records show either that you are a customer who is obtaining or has obtained insurance coverage or non-insurance products or services.
What types of Information do we collect?	The types of NPI we collect depend on the product or service you have with us. This information can include: • Information about you we receive on applications or other forms, such as your name, address, telephone number, date of birth, your social security number, driver's license number, employment information, information about your income, assets and net worth, and medical information; • Information about your transactions with the Company and its affiliates; • Information about your insurance coverage, premiums, claims history, and payment history; • Data from insurance support organizations, government agencies, insurance information sharing bureaus; • Property information and similar data about you or your property, such as property appraisal reports; and • Information we receive from a consumer reporting agency or insurance information sharing bureau, such as a credit or fraud report. When your relationship with us ends, we may continue to share information about you as described in this Privacy Notice.
What do we do with the NPI we collect?	We share your NPI in the course of supporting your insurance coverage or non-insurance products or services, as authorized by law, or with your consent. This includes sharing, as permitted by law, your NPI with affiliated parties and nonaffiliated third parties, as applicable, in the course of supporting your insurance coverage or non-insurance products. These affiliates and nonaffiliated third parties include: • Financial service providers, such as banks and other insurance companies; • Non-financial companies, such as medical providers and nonaffiliated service providers that perform marketing services on our behalf; and • Others, such as consumer reporting agencies and insurance information sharing bureaus. 	have the right to opt in to allowing this sharing).
